

**COUNTY OF LOS ANGELES FIRE DEPARTMENT  
FIRE PREVENTION DIVISION**

FPD 194  
REV 08/21

**OWNER'S STATEMENT OF INTENDED USE  
HIGH-PILED COMBUSTIBLE STORAGE**

Building Address: \_\_\_\_\_

City: \_\_\_\_\_

Type of Occupancy: \_\_\_\_\_

Type of Construction: \_\_\_\_\_

Total Area (Square Feet): \_\_\_\_\_

Sprinklered:            Yes     No

**TO WHOM IT MAY CONCERN:**

This building WILL NOT be used for high-piled combustible storage as defined in Chapter 32 of the County of Los Angeles Fire Code. Stockpile heights will not exceed 12 FEET in solid piles, in racks or on pallets; or 6 FEET when consisting of highly combustible or flammable material such as rubber, Group A plastic, flammable liquids, idle pallets and similar high-hazard commodities.

NOTE:            A recorded covenant and agreement may be required

This building WILL be used for high-piled combustible storage and will conform to the requirements of Chapter 32 of the County of Los Angeles Fire Code.

NOTE:            If building is to be used for high-piled combustible storage, complete the reverse side of this form.

This building is a speculation building and may be used for high-piled combustible storage in the future. The building meets the requirements of Chapter 32 of the County of Los Angeles Fire Code for access roadways, access doors, and smoke and heat venting.

Indicate the required aggregate area of smoke and heat vents and provide supporting calculations on the plans.

The future tenant shall contact the fire department for proper commodity classification, sprinkler protection and permits prior to occupancy.
